**Semester Ganjil-Genap Tahun Akademik 2021-2022**

**Kantor Kemitraan dan Urusan Internasional  
International Relations and Affairs  
UNIVERSITAS MUHAMMADIYAH PAREPARE  
2022**

## A. Pendahuluan

Sit-in Class merupakan istilah yang merujuk pada kegiatan mahasiswa ikut duduk, melihat, mendengar, dan mengamati saat dosen mengajar. Mereka hanya mengikuti perkuliahan dan ikut duduk (sit-in) pada kelas atau perguruan tinggi lain tanpa terdaftar sebagai mahasiswa aktif. Istilah inilah yang diimplementasikan oleh Kantor Kemitraan dan Urusan Internasional (KUI) secara virtual yang disebut "**Virtual Sit-in Class Program**". Terlaksananya kegiatan *virtual sit-in class program* adalah yang kedua kali di Universitas Muhammadiyah Parepare (UM Parepare). Hal ini terlaksana dengan mengedepankan asas kerjasama atau kolaborasi dengan dosen dan pimpinan di tingkat fakultas/program studi UM Parepare dan mitra kampus di dalam dan luar negeri.

Pelaksanaan *virtual sit-in class program* semester ganjil tahun akademik 2021/2022 dilaksanakan dengan menerima dosen dalam dan luar negeri serta mengirim dosen UM Parepare untuk mengajar pada mata kuliah tertentu sesuai kesepakatan antara universitas tuan rumah dengan kampus mitra.

Kegiatan ini sejalan dengan Peraturan Menteri Pendidikan dan Kebudayaan, Riset dan Teknologi (Kemendikbud-ristek) tentang kebijakan merdeka belajar kampus merdeka dimana program ini membuka peluang bagi mahasiswa untuk mengikuti kelas dengan atmosphere yang berbeda dari yang mereka dapatkan sebelumnya. Selain itu, implementasi program juga menunjang meningkatnya eksistensi UM Parepare di kanca Internasional yang merupakan salah satu penunjang penting dalam proses klasterisasi universitas dan akreditasi universitas, fakultas, dan program studi.

Selanjutnya, peningkatan kualitas ilmu pengetahuan civitas akademika juga menjadi salah satu konsentrasi yang ingin dicapai

dengan menghadirkan sumber pengajar yang ahli di bidangnya sehingga sumber wawasan keilmuan mahasiswa lebih bervariasi. Sejalan dengan mahasiswa, dosen pendamping dan dosen yang mengajar pada kampus mitra juga mendapat kesempatan untuk *virtual studi banding* dengan melihat, mengamati, dan mempelajari cara dosen luar negeri dalam menyampaikan materi dan mengelola kelas serta memperoleh pengalaman mengajar mahasiswa luar negeri.

## **B. Tujuan**

1. Memberikan peluang mahasiswa untuk mendapatkan pengalaman, wawasan, dan ilmu pengetahuan dari berbagai sumber.
2. Mahasiswa diharapkan semakin aktif menggunakan bahasa internasional yaitu Bahasa Inggris.
3. Memberikan peluang kepada dosen untuk berinteraksi dan menjalin komunikasi dengan mahasiswa dari perguruan tinggi lain baik dalam negeri maupun luar negeri.
4. Meningkatkan kinerja dosen sebagai pemateri kuliah.
5. Meningkatkan kualitas publikasi ilmiah melalui jurnal nasional terakreditasi dan jurnal internasional bereputasi (optional).
6. Memperbanyak publikasi karya ilmiah melalui jurnal *al-Ginaa* yang dikelola oleh Prodi Perbankan Syariah (optional)

## **C. Luaran**

Hasil yang diharapkan melalui kegiatan ini adalah:

1. MoA antara Dekan Fakultas Agama Islam atau Ka. Prodi Perbankan Syariah dengan mitra perguruan tinggi dalam hal ini Politeknik Kota Kinabalu Malaysia dan Piliteknik Tuanku Syed Sirajuddin Malaysia
2. IA antara Dekan Fakultas Agama Islam atau Ka. Prodi Perbankan Syariah dengan mitra perguruan tinggi dalam hal ini Politeknik Kota Kinabalu Malaysia dan Piliteknik Tuanku Syed Sirajuddin Malaysia

3. Publikasi karya ilmiah pada salah satu jurnal al-Ginaa (optional).

#### **D. Letter of Acceptance**

*Letter of Acceptance* dari setiap dosen yang berpartisipasi pada kegiatan *virtual sit-in class* terlampir.

#### **E. Peserta Virtual Sit-in Class Program**

Daftar nama peserta yang berpartisipasi pada kegiatan *virtual sit-in class* terlampir.

#### **F. Sasaran**

Sasaran kegiatan *virtual sit-in class* adalah mahasiswa Strata Satu (S-1) dalam hal ini prodi Perbankan Syariah Fakultas Agama Islam Universitas Muhammadiyah Parepare dari berbagai fakultas/program studi.

#### **G. Pelaksanaan Program Virtual Sit-in Class**

Program *virtual sit-in class* dilaksanakan selama satu semester pada semester ganjil dan Genap tahun akademik 2021/2022 melalui platform yang telah disepakati.

##### **1. Penyusunan Silabus Pembelajaran**

Tahap awal yang dilakukan sebelum memulai proses pembelajaran adalah mendiskusikan perihal silabus pembelajaran yang akan diimplementasikan sehingga pihak mitra memiliki gambaran terkait lingkup pembelajaran yang dibutuhkan dan menyesuaikannya dengan input yang akan mereka berikan kepada mahasiswa. Diskusi ini mencakup bahasan Identitas mata kuliah, deskripsi mata kuliah, dan capaian pembelajaran mata kuliah.

##### **2. Penyusunan Rencana Pelaksanaan Pembelajaran**

Rencana Pelaksanaan Pembelajaran dirumuskan dengan mengacu pada silabus dan disesuaikan dengan kebutuhan mahasiswa.

Kebutuhan ini diidentifikasi dengan menginvestigasi kemampuan atau pemahaman mahasiswa terkait materi pembelajaran, level semester, jumlah mahasiswa di setiap kelas, dan gaya belajar dari masing-masing mahasiswa sehingga materi, pendekatan, strategi, metode, atau teknik dan media yang aplikasikan di kelas relevan dengan yang mereka butuhkan. Tentunya, proses ini melibatkan dosen pengampuh mata kuliah dari kedua bela pihak. Dosen universitas tuan rumah menyampaikan berbagai informasi yang dibutuhkan sebagai bahan diskusi dengan dosen mitra. Dalam proses ini, dosen mitra memberi tanggapan, pertanyaan, dan saran sehingga terjadi proses berbagi sudut pandang. Akhirnya, rumusan pelaksanaan pembelajaran difinalisasi setelah melalui beberapa proses.

### **3. Proses Pembelajaran**

Setelah merampungkan silabus dan rencana pelaksanaan pembelajaran, proses pembelajaran dimulai. Pembelajaran dilakukan secara virtual melalui berbagai platform yang disepakati. Untuk pembelajaran *Synchronous*, Platform pembelajaran yang digunakan adalah Zoom dan Google Meet yang memfasilitasi dosen dalam menyampaikan materi. Sedangkan, pembelajaran *Asynchronous* menggunakan Google Classroom, E-mail, dan WhatsApp untuk memberikan tugas kepada mahasiswa. Durasi proses pembelajaran berlangsung selama 300-600 jam pelajaran dengan rincian 60-100 menit untuk satu kali pertemuan. Pada fase ini, dosen universitas tuan rumah mendampingi dosen mitra. Hal ini bertujuan untuk memberi kesempatan kepada dosen untuk memperkaya pengalaman akademik dengan melihat gaya mengajar dari dosen mitra.

### **4. Monitoring dan Evaluasi**

Dalam rangka meningkatkan kinerja pada program selanjutnya, monitoring dan evaluasi dilakukan setelah proses pembelajaran

selesai. Monitoring dan Evaluasi melibatkan seluruh dosen atau stakeholder yang terlibat untuk membahas dan menyampaikan pendapat mereka tentang kegiatan ini mulai dari proses persiapan hingga selesainya program. Pada pertemuan ini, dihasilkan banyak apresiasi, saran dan masukan dari dosen pendamping maupun dosen mitra. Secara garis besar, mereka antusias dan mengapresiasi telah dilibatkan pada kegiatan ini namun mereka menyadari bahwa kendala terbesar pada proses pembelajaran adalah kemampuan bahasa Inggris mahasiswa. Akhirnya, untuk mengatasi kendala tersebut pihak mitra menginginkan agar difasilitasi untuk belajar beberapa ujaran dalam bahasa Indonesia yang diharapkan akan memudahkan proses komunikasi dengan mahasiswa. Selanjutnya, mahasiswa juga diharapkan aktif untuk meningkatkan kemampuan berbahasa Inggris. Hasil diskusi ini relevan dengan hasil angket yang telah didistribusikan ke mahasiswa, dosen pendamping, dan juga dosen mitra. Angket dan respon terhadap angket dapat diakses melalui link <https://drive.google.com/drive/folders/1ydl5oB8HLIf16pn6OrQ0Az4Cji2xoMQI?usp=sharing> .

#### **H. Presensi**

Presensi setiap pertemuan dapat diakses melalui link <https://drive.google.com/drive/folders/17Qm9sW9eLcVdV2qbv5aR2TqplC7-7AHk?usp=sharing> .

#### **I. Saran**

1. Diharapkan seluruh civitas akademika lebih aktif dalam memotivasi, membimbing, dan mengarahkan mahasiswa yang akan berpartisipasi pada program *virtual sit-in class* sehingga proses pembelajaran bisa berjalan dengan lebih maksimal.

2. Diharapkan ada upaya yang dilakukan untuk mengatasi kendala bahasa yang dimiliki oleh dosen dan mahasiswa terkait kurangnya kemampuan dalam menggunakan bahasa Inggris sehingga kedepannya kelas akan lebih interaktif.

#### **J. Rencana Tindak Lanjut**

Virtual Sit-in Class Program akan dilaksanakan lagi pada semester genap tahun ajaran 2021-2022. Sebagai upaya mengembangkan program ini, selain masih menerima dosen luar negeri untuk mengajar di UM Parepare, kuantitas dari dosen UM Parepare yang akan mengajar pada mata kuliah mitra akan ditingkatkan.
